Our aim at Monster Bounce is for kids of all ages to have fun and thrills to remember, but safely. That's why we have the ultimate inflatables in the UK. Whether it's a private party, large corporate event or our Indoor Bounce Zone we strive to deliver a unique, professional experience for our customers.

We are a local company based in Dorset, but are willing to travel for larger corporate events.

We can cater for most occasions and are able to supply staff for multiple units if required.
